

# DATA SHEET – PD0344

## DIGITAL PRESSURE GAUGE

### Overview

Pressure Dynamics PD0344 is a Crystal XP2i 0-15000psi digital pressure gauge with Data loggerXp software

### Specification

<b>Storage</b>	Ability to start and stop multiple collection runs from the keypad Records up to 32,000 data points. Over a year of continuous recording time
<b>Battery-optimising</b>	Ultra-low Power (ULP) Mode

# ABOUT PRESSURE DYNAMICS

Pressure Dynamics is an engineering and services contractor specialising in hydraulic and lifting solutions.

Our team of highly skilled project managers, engineers and technicians are committed to collaborating with our clients in providing innovative, quality-assured services and products that deliver superior function, reliability and safety.

When we deliver, we focus on:

## RELIABILITY

Optimising equipment and system performance - to maximise your ROI.

## PRODUCTIVITY

Maximising operational reliability of assets and equipment safely and cost-effectively.

## INNOVATIVE SOLUTIONS

Developing creative, fit-for-purpose solutions to meet our client's true needs and objectives.

## RISK MANAGEMENT

Delivering and maintaining quality, cost-effective and safe equipment and assets while mitigating risk.

## MUTUAL SUSTAINABILITY

Delivering skill, knowledge and understanding through our documentation, user-intuitive products and training services.

## Market sectors we operate in:

Oil & Gas

Mining

Marine

Defence

Infrastructure

Power & Utilities

## Our location network

Abu Dhabi, UAE  
Ghana, W Africa
